- Can be used for work or home
- Can sync across multiple devices
- Can interact with other sites such as Google Drive
- Have access to notes even without Wifi or mobile data access.
- Scan documents
- Search text in images
- Cost: Has 3 plans, the basic is free

Wunderlist- helps to stay organized with notes, reminders, due dates

- Can create folders to organize tasks
- Can share lists with others
- Works on Apple and android products as well as windows, web
- Cost: Free
- Note: Will be changing to Microsoft To-Do so company notes there will be no fixes/upgrades

## iPhone features

- Family Sharing
  - Family calendar
  - Location sharing
- Share notes
- Monitor your phone usage to try to increase productivity

Instacart- used for online ordering from various stores with delivery (and pick up in some areas)

- Create a cart based on select stores shown in your zipcode
- Personal shopper will pick up and deliver to you in 1-2 hours or can be scheduled for the future
- Prices are NOT necessarily the same as the store
- Can shop from separate stores but each has a delivery fee
- Can shop at Costco without having a membership
- Cost: \$3.99 for 2 hour delivery if you spend \$35 or more
  - Can get 2 week delivery trial (\$99/yr thereafter) using Express membership service (orders still have to be  $\geq$  \$35)
  - Can qualify for free delivery by buying minimum amount of certain products
  - \*\*Tips encouraged

Other stores with online shopping with curbside pick-up or delivery (at select stores/locations)

- Google Express
- Amazon Fresh
- Individual stores
  - Walmart, Target, Harris Teeter, Safeway, and more
- Peapod (\*mostly Northeast, some Midwest)
- Shipt
